

7 August 2018

To the parents/caregivers of students in Year 7 & 8

IDEAS FESTIVAL - Friday 28 September

Dear Parents/Caregivers

The IDEAS Festival is being hosted at the Ara Campus in Timaru on Friday 28 September (last day of Term 3). This day is open to Year 7 and 8 students.

The day is an interactive festival where the students choose sessions in science, technology, engineering, arts and maths. They participate in engaging workshops with hands-on experiences led by enthusiastic experts. Spaces are strictly limited to 20.

The cost is \$50 per student (comes to \$54.07 with booking fees) and you need to book directly through this [link](#).

Interested students can pick up an information pamphlet from Mrs O'Brien. Here is the link to the [website](#).

More information about the speakers and sessions will be uploaded to their website on 13 August, with final timetables posted on 20 August. Registrations open on 26 August at midday.

If you need more information or have any questions please contact me.

Kind regards

Amanda O'Brien
Ranginui Learning Leader
