## International Students homestay: 18 March - 9 April

We are looking for a homestay for 2 Thai boys who are here for a 3 week visit to New Zealand and attending St Joseph's School during this time. The rest of their group are attending Craighead or Roncalli.

The boys are 10 years old and 11 years old and would love to stay together with a kiwi family. If you had a room with two single beds that would be perfect. There are planned activities with the rest of their group at times during the week and some Saturdays.

There is a fee paid to the host families for hosting the boys.

Families who have hosted students in the past have really enjoyed the experience and we can pass on their names if you are interested to find out more.

Please let Carmel know as soon as possible if you are considering this opportunity.
